

43 ROWING TOURS THROUGHOUT FRANCE

FRENCH RECREATIONAL
ROWING CATALOGUE

2018

This year, the rowing tours' guide proposes fortythree tours throughout the most beautiful regions of France. A lot of rowers come from other countries in order to enjoy the tours. In this way, the French National Rowing Federation (FFA) decided to develop the promotion of these rowing tours with an English version of the guide since several years now.

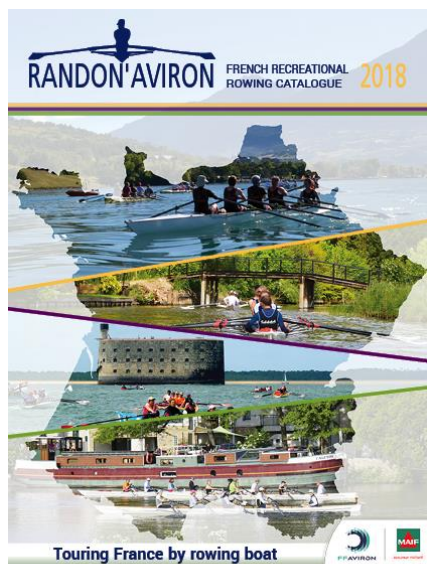

We think you will enjoy browsing through the pages of this web booklet and picturing the convivial moments and wonderful landscapes awaiting all the rowers keen to discover France throughout rowing.

You will find hereinafter, the direct link to this guide.

We hope you will be able to broadcast it online through your website and social networks.
